(a) whether it is a fact that the Prime Minister had announced a National Policy and Action Plan in October, 2005 for total computerisation of Courts all over the country to help provide speedy, qualitative and cost-effective justice;

(b) if so, the salient features of the plan; and

(c) to what extent it has been implemented in various Courts in the country?

THE MINISTER OF STATE IN THE MINISTRY OF LAW AND JUSTICE (SHRI K. VENKATAPATHY): (a) Yes, Sir.

(b) and (c) Ascheme for computerisation of District and Subordinate Courts, prepared in accordance with the National Policy and Action Plan has been approved by the Government on 8th February, 2007. The salient features of the Action Plan cover application and implementation of Information and Communication Technology in the Judicial System in a phased manner involving computerisation of all district and subordinate courts in the country and upgradation of facilities of the superior courts and electronic networking of the lowest court with the highest court. Government has already computerized the city courts in the four metropolitan cities and State capitals or in cities where the principal seat of the High Court is located.
